

Taking Constructing Meaning to the Next Level

E.L. Achieve invites you to attend a day of learning and professional collaboration designed to support certified CM presenters and district leads. Participants will be introduced to new CM materials and have opportunities to learn and share from one another.

The day will include:

- ◆ Roll-out of content-specific modules for ELA, Social Studies, and Science
 - Sample lessons
 - Writing tools
 - Planning sequence
 - Presentation materials for break-outs and follow-ups
- ◆ Review refined institute presentation and new activities
- ◆ Collaborate with colleagues
 - Share implementation successes and challenges
 - Exchange professional resources
- ◆ Introduce new student support materials

Note: This session fulfills one of the annual ongoing certification requirements for currently certified Constructing Meaning presenters.

Facilitators Ellen Levy and Susana Dutro
